Steven Denney, Ph.D.

Leiden University Institute for Area Studies (LIAS)
s.c.denney@hum.leidenuniv.nl · scdenney.net

Short Bio

A political scientist by training, I am Assistant Professor at Leiden University and an affiliated researcher at its Centre for Digital Humanities. I study how political institutions shape and are shaped by national identity, migration, and political behavior using surveys, experiments, and computational text analysis. I also conduct applied policy research on innovation policy, firm growth, and labour markets.

Academic Positions

Current	**Leiden University Institute for Area Studies (LIAS)** Assistant Professor *[Universitair Docent]*
2021–2023	**University of Vienna, Department of East Asian Studies** University Lecturer *[Post-Doc Universitätsassistent*innen]*
2019–2021	**University of Toronto, Munk School of Global Affairs and Public Policy** Postdoctoral Research Fellow

Education

2013–2019	**University of Toronto** Ph.D., Department of Political Science
2011–2013	**Yonsei University** M.A., Global Affairs and Policy
2005–2008	**Harding University** B.A., Department of Political Science

Teaching

Current	**Leiden University** Introduction to Computational Text Analysis (Digital Korea); Text as Data; BA Thesis Seminar; International Relations; Regions in World Politics; Methodologies in the Social Sciences and Humanities (MA/PhD); Issues in Korean Studies. University Teaching Qualification (UTQ / BKO), awarded 2026
2021–2023	**University of Vienna** Research Seminar for the Master's and PhD Thesis; Political Systems in East Asia; International Relations in East Asia; Nations and Nationalism in East Asia
2013–2021	**University of Toronto** Methods in Political Science; Political Economy of East Asian Development; Introduction to Comparative Politics

Technical Qualifications

Languages	English (native), Korean (advanced; C2), Spanish (intermediate; B2), German (beginner; B1), Dutch (beginner; A1/2)
Analysis	R, Python, Stata, and NVivo for quantitative and qualitative analysis; OCR and large language models for text extraction and classification
Methods	Survey and experimental design (conjoint, list, framing); computational text analysis; content and discourse analysis; qualitative interviews

Administration & Supervision

Admin	Member, Board of Examiners for Asian Studies, Faculty of Humanities, Leiden University (current); Vice-Director of Study Program, East Asian Economy and Society (EcoS), University of Vienna (2022–2023)
Supervision	BA, MA, and PhD supervision in Korean and East Asian studies, qualitative comparative research, and quantitative social science

Research Grants & Fellowships (USD)

Grants administered as Principal Investigator marked with * and Co-Investigator marked with †

[1] "Textbooks, Nation, and Artificial Intelligence: Reconstructing Korean National Identity." Academy of Korean Studies (AKS), 2026–2028. ($19,262)*

[2] "AI Workforce Intelligence Initiative." Future Skills Centre, via The Dais, Toronto Metropolitan University, 2026. ($33,000)*

[3] "Fairness or Threat? Understanding Sources of Immigration Backlash in Democracies." Dutch Research Council (NWO), SSH - XS 2025, 2025–2026. ($57,000)*
